

BARREN
BARAHOUT
BY MANSOUR VOSOUGHI

A woman wearing a red dress and a white beanie is pouring oil from a bottle into a pot on a small stove. An older man with a grey beard, wearing a brown sweater and a dark scarf, is looking down at the pot. They are in a desert setting with sand dunes in the background.

Directors note:

We all may sometimes see the people who have nobody in their Road of Life and they are walking in the desert of life alone.

Directors Biography : Mansour Vosoughi

Mansour Vosoughi was born on 21st of September, 1981 in Tehran. He has got an M.A in Performance Arts and also has a degree in film making. He started his work in 2000 as assistant director. Synapsis :

Yahya, a man with a mysterious past, sets off into the desert and wilderness with a car that serves as his home, continuing his life by cutting and selling the hair of impoverished women and girls. Until he meets a clever 15-year-old girl whose stepfather intended to sell her, but she escapes by secretly getting into Yahya's car. This encounter leads Yahya to start a new phase of trying to forget and deny his past, as everything is set to change with the presence of this girl.
